

# W32PBN - Standard Brushed Nickel Pop-Up Waste

## DIMENSIONS

Width: 32 mm, Length: 32 mm

## DESCRIPTION

This classy Brushed Nickel pop-up waste is as elegant as it is durable. Made from solid brass with a high-quality PVD Brushed Nickel finish and featuring an easy-to-clean twist-off cap, it is both refined and practical. Combine with a Brushed Nickel basin mixer to match the trendy look through your bathroom.

- Contemporary 32mm pop-up basin plug
- Easy to use - simply press down to push it in and fill the basin. Press again to release the seal and allow the water to drain.
- Don't need to worry about losing your plug like a normal split plug and waste as it is always attached
- Easy-to-clean twist-off cap
- PVD Brushed Nickel finish with sturdy brass construction
- Supplied with 32-40mm adaptor at no extra charge
- Not suitable for a basin with an overflow – see the overflow version of the standard brushed nickel pop-up waste

## WARRANTY INFORMATION

- 1-Year Replacement Product Warranty
- Product replacement does not include installation or removal of the original product.
- Check product for damage before installation - installing a damaged product voids the warranty.

## IMPORTANT NOTICE

- All pictures and drawings on this brochure are representational only, changes in the product may have occurred since print.
- All prices on this brochure and The Sink Warehouse website are subject to change without notice.
- It is strongly recommended that any cut-outs are made based on the individual product dimensions
