

ATL640 - Atlantic 640 Inset Sink

ATL640: 640mm x 450mm x 175mm

DIMENSIONS

Length: 640mm, Width: 450mm, Depth: 175mm, Volume: 19L

DESCRIPTION

The simple but stately Atlantic 640 inset bar sink belongs to the classic Atlantic range, as the name suggests. Its size of 640mm in length by 450mm in width condenses the functionality of the Atlantic style into a small bar sink, making it perfect for any bar or alfresco area. The main feature of this bowl is that it is 175mm deep, which is the same as a full-sized sink. This allows for easy washing up of anything you may use in your bar area, from cocktail glasses to shakers, while the drainer tray provides a practical place to dry, something that most sinks don't have these days. Because it is constructed from the same 304, 18/10 grade stainless steel that all our kitchen and laundry sinks are made from, we are proud to offer a 25-year warranty – that's longer than a life sentence! We offer to put a tap hole in the sink for free, just let us know if you need a right-sided or left-sided bowl. This sink is truly the perfect bartender's companion!

- 640mm x 450mm x 175mm
- Single bowl with normal depth for full functionality as a bar sink
- 25-year warranty
- Basket waste and tap holes included

WARRANTY INFORMATION

- 25-Year Replacement Product Warranty*
- Product replacement does not include installation or removal of the original product.
- Check product for damage before installation - installing a damaged product voids the warranty.
