## DESCRIPTION

From the elegant Universal range comes this modern circular universal bowl, a fantastic option for any kitchen. This contemporary designed round stainless steel utility bowl offers a premium and durable feel to your kitchen. The 304 18/10 grade stainless steel is of the highest standard and the gloss finish tops off an incredible product inside and out. The universal bowl is used perfectly in kitchenettes and alfresco's where it's compact yet defined size comes in handy. It is ideal for medical and dental uses as utility bowls, wash sinks or scrub stations. It is commonly used in bars as a stainless steel hand wash basin and it's also the perfect size to wash cups and other equipment in a bar area. For small spaces where a bigger sink just won't work such as caravans, campervans and tiny home kitchens. Trust us, the uses and benefits of this small stainless steel sink are endless, so not only does it look fantastic, but it will also be highly functional in any setting. We're incredibly proud of our Universal Range and we would love for you to join in that same passion for premium sinks at incredible prices.
