

WFAQ5050 - Aquila Twist Lock Carbon Cartridge

DESCRIPTION

- The Aquila Twist Lock Carbon Filter is a replacement cartridge designed for the WFAQ5000 system.
- Filtering out bad tastes, odour, dirt, mud, slime, algae, parasitic cysts and best of all, chlorine.
- The Aquila Twist Lock Carbon Cartridge (WFAQ5050) is a carbon water filter cartridge
- To be used with the Aquila Single Twist Lock Filter System (WFAQ5000) or Aquila Twin Twist Lock Filter System (WFAQ6000)
- Effectively removes bad taste, odour, dirt, mud, slime, algae, parasitic cysts
- Partner with the Aquila Twist Lock Sediment Cartridge (WFAQ6060) to remove heavy particles, sand, grit, rust, algae and dirt from water
- Ensures that when you're washing fruit, vegetables and dishes, it's done as hygienically as possible
- A great and easy alternative to replaceable jug and bottle water filters
- Replacing water filter cartridges is as easy as changing a light bulb - just twist and lock!
- Has an approximate 12-month lifespan before needing to be replaced

WARRANTY INFORMATION

- 1 Year Replacement Product Warranty
- Product replacement does not include installation or removal of the original product.
- Check product for damage before installation - installing damaged product voids the warranty.
